WELCOME BACK

We trust you had a fantastic holiday with your children and are ready for a busy and exciting term ahead. It's hard to believe that half the year has gone already!

OUR LEARNING THIS TERM

Our main focus is 'God is All Powerful' and our key value is Integrity.

Other learning topics are:

- Reading – Journal stories/articles, chapter chat and novel studies. (Each class will also work on other skills relevant to their specific needs).
- Writing – This term we will be learning about how there are different sides to an argument. We will do this through persuasive writing and speeches.
- Mathematics – Numeracy (Fractions or Multiplication and Division) and Measurement. Please ensure that children continue to work on Mathletics as part of a regular home learning programme. Children should aim to know all of their Multiplication Tables by the end of Year 5.
- Theme – This term we will be exploring technological processes and coding.
- PE – We will be carrying on with team sports with the help of some of the secondary students and doing badminton in the second half of the term.

SOME HELPFUL REMINDERS

- All students must return their portfolios to their classroom teachers as soon as possible.
- Please feel free to join us in assembly on Fridays at 2:15pm.
- There has been a lot of sickness around school lately. Please remember to keep your child at home if they are sick, to avoid spreading the bugs.
- Class photos will held on Friday the 16th of August.

Kind Regards Lynette, Gareth, David, Craig and Raeleen
