

Principal's Message

Dear Parents/Kia ora te whanau/Malo e lelei/Talofa lava/Bula Vinaka/Konnichi wa/Kia orana/Namaste/Welkom/Ni hao,

Welcome back to the new term. It was so good to see all our awesome Cornerstone students streaming through the gate on Monday, smiles on faces (mostly!) and ready and raring to go for the term. The warm and sunny weather on Monday probably helped a whole lot as well. I'm really excited about this term and am hoping and praying that there will be no interruptions, and that we can get through a solid term of learning.

This term our schoolwide value is Integrity. Here at Cornerstone, students will tell you that this means, "doing the right thing, even when no one is looking". For all of us, this idea of Integrity is a big learning curve and at the ripe old age of 51, I am still very much learning to walk before God and have integrity in all I do. I don't get it right always, but the will is definitely there to do so. As part of this journey with our students, (your child/ren), we have established a learning program in school called Positive Behavior for Learning, or PB4L. This program is based on our school values of Respect, Diligence, Integrity, Kindness and Humility Before God. When parents ask to see our school rules, quite a lot of parents are surprised when I point to the poster (see picture right) and tell them that there are our rules.

Here at Cornerstone, our positive behavior for learning model, doesn't focus on *what NOT to do* – it focuses on what students *SHOULD be doing* at Cornerstone. Turning negatives into positives.

If a child doesn't know how to read,
we teach.
If a child doesn't know how to swim,
we teach.
If a child doesn't know how to
multiply, we teach.
If a child doesn't know how to drive,
we teach.
If a child doesn't know how to behave,
we ... teach? ... punish?
Why can't we finish the last sentence
as automatically as we do the others?

Here at Cornerstone, we try to catch students being good or exhibiting the right behaviors, and then we praise and reward these behaviors in the hope that one day they will become 'intrinsic' or naturally what they just do.

Sometimes I have parents express concern that Cornerstone Christian School should be more disciplinarian and that there are not enough detentions or punishment structures in place to deal with poor behavior choices from students.

First of all, when students behave in a way that sets a dangerous example to others or subjects another student to bullying or harassment, we are not afraid to take strong action and deal with this decisively. But, as the quote on the left suggests, here at Cornerstone, we would rather walk a journey of Discipleship with your child/ren, based on a teacher-pupil relationship, and teach students how to behave.

Sometimes this pathway is longer and more difficult than slapping an after-school detention on a student, but in the long run we feel that it is a more Godly pathway to take.

Coming up this Term

This term we will begin reviewing our Strategic Plan to set the direction of Cornerstone Christian School for the next 3 to 5 years. We will be inviting parent input, and feedback on this process in late term 3.

In week 3 (Tuesday and Wednesday) we will be holding our Learning Conferences (Parent Teacher Interviews) for all Cornerstone students from year 1 through to 13. Can I please encourage all parents to try and attend these? We'd love to see you and chat with you about your child/ren. Please ensure that you read the blurb about this later in the newsletter and make your bookings online.

This year, due to COVID-19 we will not be holding our traditional mid-term senior exam week and exam leave. Instead, high school teachers will spread NCEA mid-term internal examinations across the middle of term. It is important that students give these examinations their very best for their own learning benefit, but also if derived grades are required later in the year due to sickness or COVID-19.

Due to COVID-19 forcing the cancellation of our year 13 Missions Trip to Vanuatu, our year 13's will now be heading away in the last week of term 3 on a road trip. This road trip in the North Island will be a blend of fun, service, and mission. We are hoping that all year 13 students will be able to attend. A big thank you to Mr Ian Groube for all his work putting this together so far.

Week 9 of this term is Maori Language Week. To honor the importance of Te Reo and Tikanga Maori within our school community, our Rolling Stones competition on the Friday of week 9 will have a Waiata component and we will also be holding our Annual Cultures Day on the same day – complete with a shared Cultural Lunch and school performances in the afternoon. It should be an awesome event!

Kia tau ki a koutou te aroha noa me te rangimarie, he mea na te Atua, na to tatou matua, na te Ariki hoki, a Ihu Karaiti. Grace and peace to you from God our father and the Lord Jesus Christ. Philippians 1:2.

Blessings,
