Welcome back to Term 4

OUR LEARNING THIS TERM

Our main focus is "Giving" and our key value is humility before God. We are learning to show care for others through generosity.

- Reading - Journal stories/articles and plays. (Each class will also work on other skills relevant to their specific needs).
- Writing - This term we are working on Narrative writing and in particular writing short stories and picture books.
- Mathematics - Algebra and Geometry.
- Theme- This term we are focusing on the living world and hopefully spending a bit of time in the vege garden.
- P.E. - We will be practicing our athletics skills this term. We also have Manawatu Volleyball coming in to work on Volleyball skills with us.

Some Helpful Reminders

- A reminder about appropriate uniform. All students are required to have a school sunhat, correct footwear and either full summer or full winter uniform. Not a combination of both.
- If students wish to wear footwear in the gymnasium, they will need clean sneakers. School shoes are not allowed in the gym.
- We have noticed some students either not eating their lunch or saying they do not have any left because they ate it all at morning tea time. We are supervising the eating of lunch at lunchtime and request that students are given enough to eat to last them through the whole school day.
- Please check your child has the required stationery. Some students are needed a replacement pen pencil or a new exercise book.
- Managing the supply of class headphones can be a challenge. Please consider providing a set of headphones for your child to ensure they have a working, clean set available.

Kind Regards Bronte, Gareth, Casey and David
