Preference of Enrolment

Cornerstone is required under section 442 of the Education Act 1989 to give a preference of enrolment to students whose parents or guardians have established a particular or general connection with the special character of the school.

Preference is determined by the Proprietor (Cornerstone Christian Education Trust) and is dependent on the child having a parent who is a committed Christian. This will be ascertained by requiring a signed Pastor's reference form stating the family regularly worships at an established Christian church, and that they are committed Christians

It is most important that you fill in the section below and, **if applicable**, forward the pastor's reference form to your church's senior Pastor/Minister/Priest/Elder.
