## PRINCIPAL'S MESSAGE

Dear Parents and Whanau,

Ko tenei wiki te wiki o Te Reo Māori! Or in other words, this week is Maori Language week. Right across the school, classes have had opportunities to practise a little more Te Reo. At 12pm on Tuesday most classes in the school took part in the "Māori Language Moment," joining with over two million people across New Zealand who stopped to practise a bit more Te Reo Māori.

In my opinion, there are many benefits to learning Te Reo. I used to get stuck trying to get my tongue around many of the longer place names in Aotearoa, New Zealand. I feel it is showing respect (one of our school values) to at least try to get this small thing right. Students in European countries, and many other countries, manage to learn at least one additional language at school from a very young age and I do not see why we shouldn't here too.

I have fond memories as a young fella being dragged along by my Mum and Dad to quite a number of Kapahaka festivals in Christchurch. We were probably just about the only Pakeha family there! The irony is that I was born in England and emigrated to New Zealand at age 4. I have to say, that I appreciated my parents instilling in me a love of other cultures, particularly Māori culture, at a very early age.

When I attended University quite a number of moons ago, I decided that I wanted to increase my Te Reo vocabulary and fluency and so decided to take one of my education papers (a pass/fail paper only!) in a Maori immersion class. I can distinctly remember not understanding a word of what was going on for about the first month and feeling like a fish out of water! Slowly I began to understand more and more Te Reo, having been immersed daily in this language. Thankfully I did manage to pass this paper prior to gaining my education degree.

Today my Te Reo is starting to get rusty again, but this week a colleague of mine told me about a Phone App called 'Kōrerorero' which is a great little app for brushing up, or starting out, learning Te Reo.

### **Thank You – Alert Level 2**

Can I please pass on a big thank you to our school community for your cooperation around the Alert Level 2 COVID Delta measures. While I miss having parents on site and chatting with you after school, thank you for not coming onsite under the current Alert Level.

At this stage, we are only allowing parents of Year 1 and 2 students and those who have asked for an exemption to come on site to drop off and pick up their children. If you need to collect your child for an appointment during the day, please notify the office prior to this, so we can arrange to have your child brought to the school office.

I have also appreciated the willingness of those parents who are coming on site to wear masks and to sign in with the COVID Tracer App. I know full well that this is not everyone's 'cup of tea', so thanks for being considerate of others.

Ma te Atua koe e manaaki, kia pai tō wiki mutunga (God bless and have a great weekend)!

## SCHOOL NOTICES

### Planning for 2022

We are planning for 2022! If your child will **not** be returning to Cornerstone in Term 1 2022, please let the office know as soon as you can. Thank you.

### Cornerstone Fundraising Group - Pies

A reminder that pies will be available for pick up TODAY (Friday 17th September) from 2pm.

Due to Level 2 conditions, we ask parents to scan in before coming through the gate and head around to the back library door - beside the student reception. Do not come through the main office door.

Please follow the instructions there and be patient with the volunteers who will be handling your order. Then you will need to leave the school grounds. It may pay to park on Mihaere Drive and use that gate only.

We suggest you bring a box or similar to get them to your vehicle.

If you have any queries, please contact Nardine at: 027 249 5649. Thank you so much for your support!

## Year 10-12 Subject Selections for 2022

Year 10-12 subject selection forms have been distributed via Life Lab Teachers. These are due back at school no later than Friday 24th of September. Please give to your Life Lab Teacher.

### Elgregoe Visit!

We are delighted to welcome 'Elgregoe' to our school to perform a show for our Year 1 to 6 students on **Monday 27 September**.

He presents a strong anti-bullying message through his show. As Christians, Greg and his wife Sue are wonderful models to the students of using the talents God has given you, and their creative, professional show is highly entertaining for audiences. If you would like more information about the show please visit <https://www.elgregoe.co.nz/>

As this is non-core curriculum related activity, there is a cost of \$5 per student to attend the show. We would ask you to please pay for your child via mykindo **by Friday 24 September (PLEASE DON'T PAY AT THE SCHOOL OFFICE)**. The school website has more information regarding mykindo if you are not familiar with it, alternatively please ask at the school office.

We would love all the children to attend, but will provide an alternative activity if needed for those who are unable to go. Please talk to your child's Teacher if you have any further questions. Thank you!

### School Blazers - Year 11-13

Blazers mark the transition from Middle School (Y7-10) to Senior School (Y11-13). Students become High School Seniors when they enter Year 11.

Rather than waiting until Year 13, we strongly suggest that parents purchase a blazer for use in Year's 11-13, instead of a jersey/cardigan. By purchasing a blazer in Year 11, families will get three years use out of it, before it is on-sold/passed on at the end of Year 13.

If you would like to order a school blazer for 2022, please collect an order form from the Student Office. **Blazer fittings will start on Tuesday 14 September** in the student office. *We would prefer a parent to accompany the student for the fitting. This is to ensure that both the student and the parent are satisfied with the size of the blazer. Please note that we are unable to exchange sizes of the blazer once the order has been placed.*

A non-refundable blazer deposit of \$120 will need to be paid to the office at the time of ordering, together with the order form. The balance of \$110 will go on the Student's account and will need to be paid at the time the Blazer is collected in Term 1, 2021.

Some assistance funding is available. If you wish to apply for this funding, please email James Rose, (Deputy Principal) [james@cornerstone.ac.nz](mailto:james@cornerstone.ac.nz).

**All orders need to be in by Week 1, Term 4. Cut-off date is Friday 22nd October 2021.**

## School Rain Jackets

If you would like to order a school monogrammed rain jacket for your child, please contact Ilona at [ilona@cornerstone.ac.nz](mailto:ilona@cornerstone.ac.nz) before Friday 1st October.

The jackets are fleece lined and perfect for cold or wet days. They cost \$46.00 for junior sizes and \$60.00 for adult sizes. We have some samples available to try on for sizing.

Please note, we require a minimum number of 10 jackets to be able to place the order with our supplier.

## Assistance with Internet at Home

If your household, or another school family that you know of, has no access to internet, please email [paul@cornerstone.ac.nz](mailto:paul@cornerstone.ac.nz) or phone 356 7236 ext. 6105 (leave a message if needed).

We still have an opportunity to obtain a router and/or internet connection, to those school families who do not have this. Please get in contact by the end of Term 3.

## Computer Monitors for Sale

The school is in the process of changing over from Desktop to Laptop computers, for classrooms.

We have lots of 19" LCD Monitors that we would like to sell, to help pay for laptops.

These can be purchased for \$20 each.

Please contact Paul Jorgensen ([paul@cornerstone.ac.nz](mailto:paul@cornerstone.ac.nz)) if you are interested.

Two teams of Year 7 and 8 students from Cornerstone attend Mathex in August.

Our Year 7 team comprising of: Toby Van der Werff, Tristan Taylor, Charli Weel, Ryan Short, and Harrison Rose (sub) came 13th.

Our Year 8 team comprising of: Tayla Ah-Chan, Samuel Codd, Jonathan Ferrar, Matthew Meyer and Jimin Kim (sub) came 5th.

Congratulations to you all on your great work!

## Please Support Our Valued Sponsors

Please support Streetwise Coffee and Mouthwater Coffee Company valued sponsors of Cornerstone's Positive Behaviour for Learning (PB4L) programme!

## eZlunch is back... let's celebrate!

All orders delivered Monday 13 – Friday 17 September  
go in the draw to win back their lunch money!

**10**  
lucky winners!

T&C's - Every order has one chance to win. Ten lucky winners. Max value \$20 per winner.  
Competition ends & will be drawn on Fri 17 Sept 2021.

## SPORTS NOTICES

## Thank You!

A huge thank you to all of the wonderful people who have coached, managed and chaplained our winter sports teams this year:

Football: Ed Dore-Wright, William Evans, Carl McIntyre, Janet Dore-Wright, Chris Morgan.

## Year 5 & 6 Netball

Christina Havill has led an enthusiastic bunch of Year 5 and 6 students to the top of the leaderboard in the Future Ferns Division 3. This is an outstanding achievement by these youngsters who have been diligent with lunchtime AND after school practices with Christina. They are bright prospects for the future.

## Sports Congratulations

Well done to the CCS Senior First Boys Football team who have dominated their division in the local Under 17 competition. This is the first year CCS have entered their own team in this sport, so we are suitably chuffed that they have come out on top of the table and won the division.

Massive congratulations to Ed Dore-Wright for being a sensational, and dedicated coach to lead these boys to victory. Also to Janet Dore-Wright for managing and being the organization behind the scenes. Well done to you all on your success.

## Secondary Girls Cricket

If your Year 8-13 daughter is interested in playing summer cricket in Term 4, 2021 and Term 1, 2022, please email [jannell@cornerstone.ac.nz](mailto:jannell@cornerstone.ac.nz) for more information.

## Term 4 Sports
