PRINCIPAL'S MESSAGE

Dear Parents, Caregivers and Whānau,

Well today is the big day for our Primary Students – the first performance of the eagerly anticipated production, 'Danny and the Shacks'. Tickets for both the Thursday night and the Friday night have now sold out and I can't wait to join with our school community to watch our students perform. I would like to take a moment to recognise three teachers who have put their heart and soul into this production – Catherine Forrest, Bronte Tongs and Craig McDonald. Thank you all three for going above and beyond to make this show happen.

This week we have been hard at work planning ahead for term 4 and even term 1, 2023 and there are a few matters I need to communicate to parents:

Term 4 Hats

In years 1 to 6 it is compulsory for all students to wear the regulation blue bucket hat when they are outside of the classroom during term 4 and term 1. This is part of our school being a 'Sunsmart' registered school. Can all parents of primary students ensure their child has a hat ready to go for term 4 please. Students in year 6 may purchase and wear the senior blue cap in term 4.

In years 7 through 10, all students must own a regulation school cap (or bucket hat) and they will be encouraged to wear this when outside. In years 11 to 13 school hats are encouraged but not compulsory.

Please note that the school year for 2023 begins on Monday 30th January 2023. This is earlier than we have typically started the school year. Senior (year 11-13) course confirmation will be on Tuesday 24th January 2023.

2023 Senior Course Selection

At the end of next week, we will be sending home with all year 10-12 students the course selection booklet for 2023. This booklet will look a little different to previous years where student subject selection largely drove the formation of our secondary curriculum. Our secondary school has now grown to the size where it is prudent to create a 'senior subject matrix' where students make their 2023 subject choices from subject sets that the school can predictably offer in each timetable line. This revised method of course selection will also avoid students filling their course selection with less academic options, thus allowing our school to maintain a high academic standard.

Year 1-10 Classes for 2023

Over the school holidays we will begin putting together class lists for 2023. For students up to Y10, if you have any information to share that will help us make decisions around your child's class placement, please let the relevant Assistant Principal know by the end of this term. Your request will be considered but we cannot guarantee that all information will be actioned.

- For years 1-6 please email raeleen@cornerstone.ac.nz
- For year 7-10 please email ian@cornerstone.ac.nz

Requests for 2023 class placement will not be considered in term 4.

Monday next week is a Public Holiday.

Please remember that Monday next week is a Public Holiday as we remember the life and service of Queen Elizabeth II and mourn her passing. Last Friday at the secondary assembly we took a moment to reflect on the life of this amazing lady who often spoke of her dependence on Christ. In 2021 in her Christmas message, Queen Elizabeth spoke these words: "Billions of people now follow Christ's teaching and find in him the guiding light for their lives. I am one of them because Christ's example helps me see the value of doing small things with great love, whoever does them and whatever they themselves believe."

Living a life of service and of duty toward others is almost unheard of today and we can learn much from Queen Elizabeth's example.

Have a great weekend!

Chris Mitchell

P.S. Don't forget to put your clocks forward one hour this weekend!

Kelvin After School Kids

My name is Christina and I am taking over the running of Kelvin Kids as at the first day of Term 4 - October 17th 2022. I'm excited that God has opened up this amazing opportunity for me and thank Chantelle for all her great work in establishing KK.

I have been running after school programmes for a number of years. I was a trained primary school teacher, then decided to have a slight change of career by starting an OSCAR (Out of School Care And Recreation) programme in the Riverdale/Westend area of Palmerston North with my late husband, Alistair. Since his passing, I have opened a further 2 programmes.

We will continue to provide a caring and nurturing after school environment for the children to relax as well as have lots of play and creative opportunities. It will be such a blessing to encourage the children in their walk with God.

In the future, I will be looking to extend the programme to possibly offer both before school care and/or holiday care if there is a need.

My email address is christina@afterschoolkids.co.nz and my cell number is 021357864. Please contact me if you have any queries at all.

Blessings,
Christina McNeill

The Kids Sing Festival 2022

It was my great pleasure to take the Cornerstone Christian School Choir along to The Kids Sing Festival 2022 held at Palmerston North Intermediate Normal School. We were nervous and excited in equal measure! There were four other schools involved in the day, and it was stunning to see the other school's showcase their chosen pieces. Our choir sang "Help is on the way" by Tobymac, but with the chorus translated into Te Reo which made it feel more home grown. We also sang "The Blessing". I was so proud of the students, who represented CCS so well and sang their hearts out to songs that were about God. We were also invited to sing along with the other schools, singing two songs (with arrangements that were new to us) and this was a great deal of fun. All schools were presented with a participation certificate, and we were also awarded best soloists for "The Blessing". Can't wait for next year!

Senior School Blazers

Blazers mark the transition from Middle School [Y7-10] to Senior School [Y11-13]. Students become High School Seniors when they enter Year 11. Rather than waiting until to Year 13, we strongly suggest that parents purchase a blazer for use in Year 11-13 instead of the jersey/cardigan. By purchasing a blazer for Year 11, families will get three years use out of the Blazer before it is sold on/passed on at the end of Year 13.

Please note that the jerseys and cardigans for the Y11 - 13's will be phased out as of the end of 2023.

Order forms will be available at the office. We would prefer the parent to accompany the student for the fitting, this is to ensure that both the student and the parent are satisfied with the size of the

blazer. Please note that we are unable to exchange sizes of the blazer once the order has been placed. It is not a problem if this is not possible.

The Blazers are \$230.00 each. A non-refundable blazer deposit of \$120 must be made with each blazer order. Deposits must be included with the form. The balance of \$110 will go on school account and must be paid at the time the Blazer is collected.

Some assistance funding is available for families in need. If you wish to apply for this funding, email the Deputy Principal james@cornerstone.ac.nz.

NB! All orders need to be in by Week 9 Term 3 – Cut-off date is **Friday 23rd September 2022**. Should you have any queries please contact Ilona on 356 7326 or ilona@cornerstone.ac.nz
