LIFE EDUCATION

The Life Education Bus is back early in Term 2!

We will be learning about Nutrition and making healthy food choices.

Classroom Expectations

It is expected that all books and work on electronic devices is presented to a high standard. Please ensure that your child is equipped with all necessary stationery for school as there have been instances of items going missing or getting damaged, such as rulers. It is crucial that each student has their own set of stationery.

Additionally, you may want to consider providing your child with a set of headphones or a mouse as students are currently required to share the ones provided by the school.

SOME HELPFUL INFORMATION:

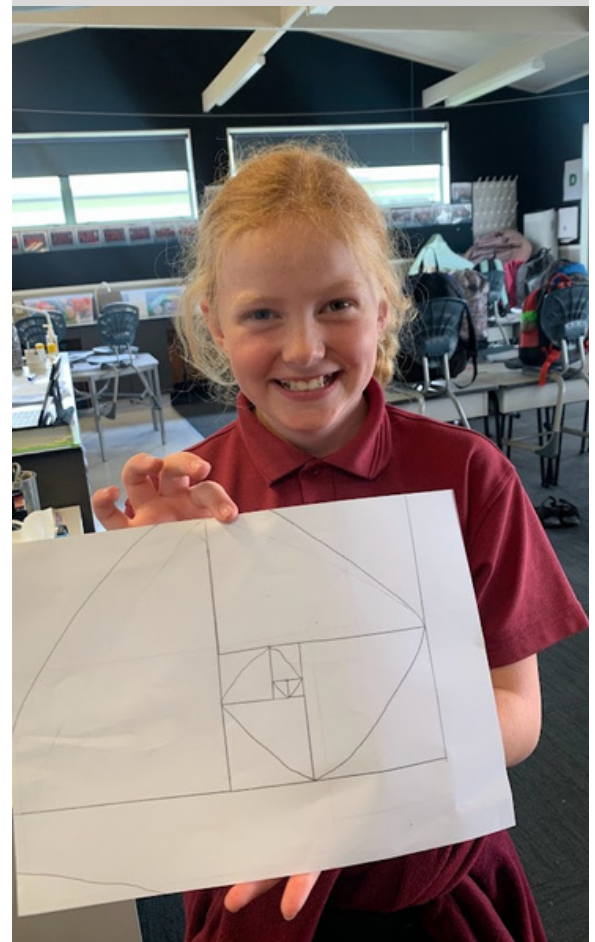

- "Wheels Day" is on Wednesdays, where children are allowed to bring scooters, skateboards, or roller blades to use during interval and lunchtime. It is mandatory for children to wear helmets and proper footwear.
- Tumanako Assemblies are scheduled on Monday mornings. However, due to congestion, parents are unable to attend. Nonetheless, you are more than welcome to attend the whole school and whole primary assemblies.
- The Tournament of Minds Teams are focusing on the upcoming event in Term 3, and Miss Thomas and Miss Tongs are thrilled to see what creative ideas the teams can come up with.

UNIFORM:

- If students opt to wear a jacket, it must be black as per the dress code.
- As we are now in the winter term, students have the option to wear either the full summer or full winter uniform. It is important to note that mixing of uniforms is not allowed.
- Furthermore, it is necessary for students to wear appropriate footwear when entering and exiting the school premises.
