PRINCIPAL'S MESSAGE

Dear Parents, Caregivers and Whānau,

Thank you for all of your support of our school this term. It has been a busy but rich and rewarding term. I must admit that I am looking forward to a little bit of rest over the next couple of weeks. This Easter weekend I have all of my girls coming home which is a rare occurrence these days! I am also looking forward to some time away in the hills trying to put some venison in the freezer. My sincere prayer for all of you is that you would know rest, and the richness of every blessing in Christ as you reflect on the finished work of the cross during the Easter weekend.

Term 2 Start

Please remember that school does not start back in term 2 until **Wednesday 26th April 2023**. The school will be closed for instruction on Monday 24th and of course Tuesday 25th is a public holiday as we remember our fallen servicemen and servicewomen on ANZAC day.

Gala Thanks

I knew I would forget someone important in the last newsletter as I tried to remember all of our core Gala committee and key sponsors. School parents David and Lisa Nagy were key contributors to the Gala organising committee and I somehow missed them off my list! David also works for Iplex Pipelines here in Palmerston North who have been major sponsors of a number of events here at Cornerstone Christian School over the years. I know that David and Lisa do not ask for or want this recognition, however I felt it was important that I mention them here.

Strategic Planning Consultation next Term

The Cornerstone Christian School Board will begin a round of parent consultation in term 2 as we look to map out our next three-year strategic plan. All school families, students and school stakeholders will be given opportunity to have input into a revised strategic plan for 2024 through to 2026. The best way to think of this consultation process is like a traffic light i.e. Green – what are we doing well that we should continue to do? Orange – what needs changing or shifting or altering within our school so that we can better serve our students and school community? And Red – is there anything that we just need to stop doing that is detrimental to the life of our school? We will be holding a number of meetings, hui, fono and electronic surveys next term to gather this information from as wide a representation of the school community as we can.

Easter

Here is a devotional reflection I read today in the lead up to Good Friday. It was written by Justin Popovich, an Orthodox Serbian Theologian:

“Men sentenced God to death, but He sentenced them to immortality by His resurrection. In return for blows, He embraces them, in return for abuses, He blesses; in return for death He gives immortality. Men never showed so much hate for God as when they crucified Him, and God never showed more love for man than when He resurrected. Men even wanted to make God mortal, but God by His resurrection made man immortal. The crucified God is risen and has killed death. Death is no more. Immortality has encircled man and all his worlds.”

This Easter, choose life. The immortal life of God that He gives to each of us who accept Him as Lord and Saviour.

God bless,

Chris Mitchell

Easter Reflections from D1 Students

EASTER

We are learning about the story of Easter.

What happened on Palm Sunday?

Jesus came to Jerusalem
on a donkey. The people
waved palm branches.

Why were the people happy to see Jesus?

They shouted hosanna! They had
heard about Jesus.

How does this story make you feel?

I feel happy because Jesus
came to save us.

EASTER

We are learning about the story of Easter.

What happened on Palm Sunday?

People were waving palm branches because they were happy to see Jesus.

Why were the people happy to see Jesus?

Because they had heard of the good things he had done many.

How does this story make you feel?

I am very very happy because Jesus came to save me.

EASTER

We are learning about the story of Easter.

What happened on Palm Sunday?

When Jesus rode into
Jerusalem all the people
shouted Hosanna! they
waved palm branches

Why were the people happy to see Jesus?

They were happy to
see Jesus because they
heard about him

How does this story make you feel?

I would be happy
and shout Hosanna.

EASTER

We are learning about the story of Easter.

What happened on Palm Sunday?

Jesus rode into Jerusalem
on a donkey. The people
waved palm branches.

Why were the people happy to see Jesus?

They saw Jesus and they
were excited.

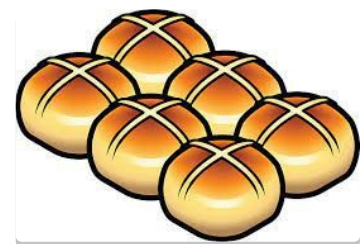

How does this story make you feel?

I am so happy that
Jesus came to die for us.

Delwyn's Gluten Free Hot Cross Buns

- 3 C self raising gluten free flour (I used Edmonds)
- ¼ C brown or white sugar
- 1 T yeast
- ½ C hot water (near boiling)
- 2 T chia seeds
- ½ C boiling water
- ½ C cold milk (use coconut milk or almond milk for dairy free)
- 25 g butter, melted (use margarine or coconut oil for dairy free)
- 1 egg, beaten
- 1 T cinnamon
- 2 T mixed spice
- ½ C sultanas or currants /fruit cake mix

Put the hot water into a bowl, stir in Chia seeds. Set aside to swell.

Put the boiling water into a jug, stir in the sugar then add the cold milk. Sprinkle the yeast over the mixture and stir well until combined. Set aside until frothy.

Mix the melted butter and egg together in a small bowl and whisk to combine.

Put the flour and spices into the bowl of a mixer with the dough hook attachment in place and stir to combine. Stir in dried fruit. Add the yeast mixture and the egg mixture.

Mix on low speed until the wet and dry ingredients combine, adding a little more liquid if needed to form a soft, moist but not sticky dough. Then increase the speed of the mixer and knead for 10 minutes until the dough is smooth and elastic.

Have it checked, then turn the dough onto the bench and knead and shape into a log.

Cut log into even sized pieces and roll into balls using oiled hands. Place in a greased oven dish, cover with gladwrap and set aside to rise until doubled in size (1 ½ -2 hours)

Pre heat the oven to 200°C.

Mix the cross paste in a small jug. Use a clean plastic bag or forcing bag to carefully pipe the cross on the top of the risen buns. Bake until golden brown and hollow to tap. (approx. 20 mins). Remove from the oven and glaze immediately.

Cross paste;

1C GF plain flour mixed to a thick, smooth paste with cold water

Glaze:

½ C apricot jam mixed with water to thin it down, then warmed in the microwave OR 1 C sugar and ½ C water heated in the microwave until a syrup forms.

Serve warm with softened butter, jam and cream.

Thank you from CFG

The Cornerstone Fundraising Committee (CFG) would like to thank all parents and caregivers who purchased an ice cream or ice block for their child to enjoy on Thursday 6th April. We hope they enjoyed their Summer Sports Tribe Day and their treat.

Any students who were absent today and had ordered an icecream, these will be given out week 1 of term 2, date to be advised.

Moana Jr Production - Featuring Students from Cornerstone

A number of our students are part of the cast for the upcoming Manawatu Youth Theatre production of Moana Jr.

Manawatū Youth Theatre brings you Moana Jr live to the Regent on Broadway, bringing the adventures of Moana and her village of Motunui to life onstage.

Featuring a local cast of over 60 youth performers and includes the hit songs "How Far I'll Go," "Shiny," and "You're Welcome." With empowering messages of bravery and selflessness, Moana Jr. is sure to bring out the hero within each of us.

Kiwi Competitions 2023

Closing Wednesday 10th May

All money (via MyKindo) and permission forms need to be in by **Wednesday 10th May** – there is no allowance for late entries.

Year 1-6 student forms available from classroom teachers and Year 7-10 student forms available from the office.

2023 Kiwi English, Mathematics and Science Competitions

Dear Parents and Caregivers

The University of Canterbury is offering your child the opportunity to participate in the KIWI English, Mathematics and Science competitions. These competitions take place annually and are designed by New Zealand teachers for New Zealand students based on the New Zealand Curriculum. For further information, please consult the CAM website www.canterbury.ac.nz/cam.

The competitions are open to all Year 5-10 students in English, Mathematics and Science. Students can enter in one or more subjects. Each competition will provide parents/caregivers with an individual student report of their child's overall performance. These are available through your school. The supervised online tests will take place in the last 3 weeks of Term 2 and the first week of Term 3. **The competitions are to be administered at school under exam conditions and supervised.**

All participating students will receive a certificate and a prize will be awarded to the top student nationally in each competition. If two or more students share the same top score then the prize is awarded to the student with the highest speed and accuracy.

NOTE: Our policy is **not** to release test papers. The tests are provided primarily as a competition and not as a teaching resource.

Entries are administered by the school. For further information, please consult the CAM website www.canterbury.ac.nz/cam

SPONSORSHIP 2023

Dear School Community

Every year the students commit themselves to sporting or cultural activities to benefit both themselves and the community.

Some of these endeavours incur high costs due to their specific needs.

We are currently looking for small businesses or individuals who would be willing to support one or two sports or cultural activities where we have a financial need for support.

Please email craig@cornerstone.ac.nz if you are able to support any of the following...

2023 Senior School Production

To be performed at the Speirs Centre in Week 9 of Term 2.

Looking for up to 6 sponsorships of \$500. Company Logos can be advertised in newsletter and programme. (Balance of income from ticket sales)

2023 Badminton, Table Tennis and Golf.

Y7/8 National Sports event in September.

Looking for 11+ sponsorships of \$200.

Company names printed on the back of team T-shirts and mentioned in newsletter.

Other Opportunities

There may be other sports or cultural sponsorship opportunities coming up as we determine participation.

Prayer Group

Monday Mornings

Parents and whānau are warmly invited to join our prayer group. This group meets between 9:00am and 9:30am on Monday mornings to lift the school and community before the Lord in prayer. Please join us in the Meeting Room off the main office reception area.

Student Arrival Time Before School

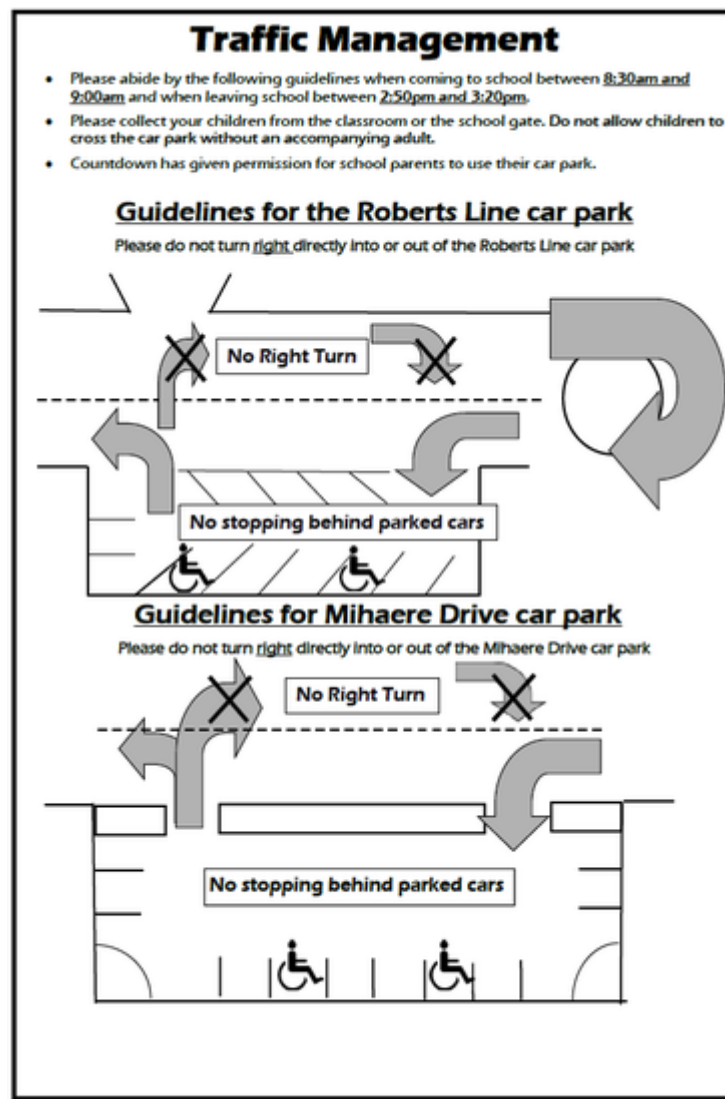

Students are not to arrive or be dropped off at school before **8:30am** as teachers are not available for supervision before this time.

Friday is the only day that Primary students are able to be at school before 8:30am to attend Breakfast Club in C5.

Traffic Management Guidelines

Please take note of our traffic management guidelines below which operates at peak traffic times before school between 8:30am and 9:00am and after school between 2:50pm and 3:20pm. **For the safety of our students and families please abide by these guidelines.**

Preferred Payment Method

Our preferred method of payment is EFTPOS or online payments. Our account details are:

MidCentral Community Pharmacy Group Gastroenteritis Service

The Paediatric Gastroenteritis service for the assessment and treatment of childhood gastroenteritis (vomiting and diarrhoea) for children aged three months to 15 years continues to be available free of charge from community pharmacies within the MidCentral region, funded by Te Whatu Ora | Health New Zealand.

This service aims to and is, reducing the impact of gastroenteritis by providing early treatment and preventing dehydration in uncomplicated gastro cases, however some children may still need further medical attention.

To receive this free service, the child with gastro must be present at the pharmacy. They will be seen by the pharmacist who will collect some information in order to assess their illness and if appropriate they will provide you with the information you need and sufficient Pedialyte® to treat your child at home. It may be helpful to call the pharmacy in advance to ensure that there is an accredited pharmacist available. Where the level of dehydration is deemed more than mild or complications are involved the child will be referred to an appropriate medical professional for further medical treatment.

MidCentral Community Pharmacy Group Conjunctivitis Service

THINK Hauora and MidCentral Community Pharmacy Group are continuing to fund the service to provide free treatment for children's conjunctivitis from a local pharmacy rather than needing to go and visit their GP. This service is for children aged 2-13 years.

Bacterial conjunctivitis is very common, particularly among young children. It can cause eyes to become red, puffy and sticky and can be very contagious. Children with bacterial conjunctivitis are recommended to stay away from school or other educational facilities to help stop the spread to other children. It can be easily treated with medicated eye drops.

Whānau can just pop into their pharmacy at a time that suits them. No appointments are needed for this service.

Has your tamariki got a sticky, puffy eye?

Bacterial Conjunctivitis is very common, particularly among younger children, and can be easily treated with eyedrops.

**You don't need to
go to your GP.**

You can get free treatment for tamariki aged 2-13 from your local participating pharmacy.

**ASK US ABOUT
IT TODAY.**
