SOME HELPFUL INFORMATION:

Homework is set each week. Children are expected to read each night as well as to learn their memory verse and spelling words from Monday to Thursday. These words will be tested on Friday. There will be other tasks that teachers will set every week. We encourage children to go to the library as most children will not bring reading books home.

Team Assembly is held first thing on a Monday Morning. We would love to invite you to attend, but are very limited for space.

SERVE AND GROW

MORE HELPFUL INFORMATION:

Please notify the school office of all absences. They oversee this process and follow up on any students who are marked as not present by the teacher on the school roll. Feel free to let the classroom teacher know, but in the first instance contact the office.

We have several children in our team and the wider school community with severe allergies to peanuts. Please avoid sending any nuts, peanuts or peanut butter to school in the children's lunches.
