

TUMANAKO TEAM 2024

TERM 4

BACK TO
SCHOOL!

Wow! What a busy term we have ahead. So many exciting things to look forward to we have a few things we are focusing on including sharing on serving, and our key value is kindness.

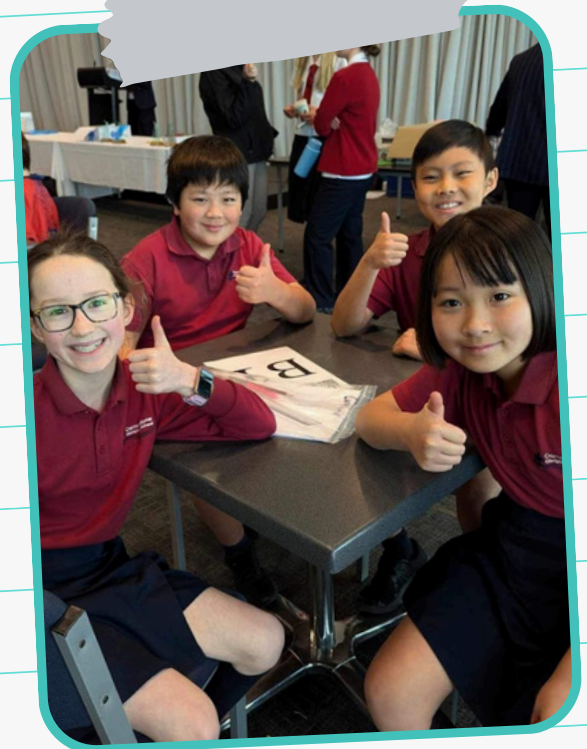

SOME OF OUR LEARNING THIS TERM...

- Reading – Journal stories/articles (Each class will also work on other skills relevant to their specific needs).
- Writing – This term we are working on narrative writing and in particular writing short stories.
- Mathematics – Algebra and Geometry.
- Theme – This term we are focusing on Science, and in particular the Living World and Bees.
- P.E. – We will be practicing our athletics skills this term as well as having a focus on Basketball.
- Health - Pubertal Change

Term 3 was absolutely amazing—it whizzed by in the blink of an eye! We had so many exciting moments, with a few key highlights being our wonderful production of The God Squad and the success of our Cycle Safety program. Both events were fantastic opportunities for students to engage, learn, and grow in new ways.

A massive congratulations to Bronte and Daniel Hodgetts, who were married over the holidays! We extend many blessings upon them as they embark on this new journey together.

As we look ahead, let's continue working together to make Cornerstone the best place it can be—a place where we glorify God and teach His children His ways.
